Senior Credit Analyst

AVP Equipment Finance Manager

Portfolio Manager

- Expanded relationships with existing and prospective customers through discussion & analysis of customer's business needs and structuring appropriate credit solutions.
- Underwriter for commercial & industrial credit facilities.
- Presentation of recommended credit solutions to executive & directors loan committees.
- Managed portfolio of existing bank clients.
- Initiated broker relationships for Equipment Finance Group.
- Expanded understanding of equipment finance products throughout the bank through in-person presentations.
- Conducted analysis of credit requests for municipal entities.
- Analyzed bank's HELOC portfolio and recommended actions on individual credits.

Independent Business Consultant: (2007-2016)

- Worked with DTC Grip & Electric to turn around a business that had been struggling financially and bring it to fiscal stability.. DTC Grip & Electric is a company that does lighting and camera work for commercials and movies. They have the San Francisco Bay Area's largest selection of film, photo, lighting & grip equipment, and they provide technical specialists to service that equipment, as the custom design and installation of theaters and studios. During my time consulting for them, they were involved in film projects such as The Pirates of the Caribbean: At Worlds End, Milk, Jurassic World, The Internship, San Andreas, Dawn of the Planet of the Apes, among others.
